26th September 2018

Dear Sawston Parish Council,

I am contacting you from East Anglia's Children's Hospices (EACH) today as we would like to thank you for the generous support you have shown us in the past. Most recently in May 2016 you generously donated £300 following our application to your grant scheme! Every year, 80% of our funding comes from the amazing fundraising activities and generous donations of the community – without your support we would not be able to provide care to the children and 450 families across East Anglia, who rely on our services.

It is clear to see that there is a very active and exciting community in Sawston with a fantastic range of local events and groups to get involved with. Following your interest in the work of EACH, we would be very interested to know whether you would be willing to support us through your upcoming events. For example, the parish could fundraise for EACH through your annual Village Fete or the Sawston Music Festival. As local Cambridgeshire communities such as yourselves already have a fantastic list of well-established events, to show your support for EACH through these would be a brilliant opportunity for us to reach those who may not have heard of us and the vital work we do.

If you did choose to support EACH through a local event, we would gladly provide you with any fundraising support or materials you may need such as balloons, banners, flags and posters. We would also be more than happy to advertise your event through our website and social media, reaching individuals who may live nearby but be unaware of your local events!

Alternatively, if you would prefer to support EACH with a single monetary donation, it would be very gratefully received. I have included our latest *Footprints* newsletter which details our most recent updates, however if you would like to know more about EACH or for further information on how your local community can support us, we would be delighted to hear from you.

All the best,
Ellen
