TASK & FINISH GROUP MEETING

Held virtually on Tuesday 25th May 2021 7.45pm

- 1: To discuss Cambridge City (Pavilion) and update on written agreement for the gifted land to the Parish Council – Alan Lamb explained the parish council need to define what they want from Cambridge City with regards to the land. Do we want the woodland surrounding the triangular green area too?
We need to consider this and all the possibilities.
Cambridge City plan on completing the end of this year/beginning of next.
Alan Lamb explained that the piece of land they are offering the parish council is not as good as he first thought. The current environmental report shows a badger fence all round the suite and in one corner there is a pond, does the parish council want to take his on too? There would be a risk in the management of the pond.

He also explained that we need to think about building a new pavilion on this green belt site and should consider a pre application with SCDC to see if this is possible with the new stadium already being built in close proximity.

- 2: Lynton Way – Councillor Kevin Cuffley as for this to be deferred as we didn't have all the information. Alan Lamb urged the parish council to install a skate park at Lynton Way which would also meet the needs of the older children.
- 3: Mill Lane update – Alan Lamb explained we have had the tenders back for this but it needs to be agreed asap other wise the tenders may not be valid. This was discussed and agreed that we would have an extra full parish meeting next week with this item to agree.

Councillor Sue Whitney explained that she and the Clerk have a meeting with Cambs FA in June to discuss the funding and how we can move forward with the Football Foundation grant application.

- 4: Spicers project update – Alan Lamb explained we have had the tenders for this but they are all horrendously high and we need to re think.

Alan Lamb and Councillor Kieran Cooper left at 8.20pm

Councillor Kevin Cuffley thanked everyone for coming.

Meeting closed 8.42pm
