Describe the overall aim of your organisation and the activities or services it provides	We are a specialist team called upon by the Police to assist in the search for vulnerable missing persons. Our Search Teams are highly trained and respond to every emergency call both across Cambridgeshire and beyond. We are available 24 hours a day, 365 days a year. For further information, please see attached.
Explain the direct benefit to Sawston of your organisation's activities including the number of Sawston residents who have benefitted in the past	We can be called out to assist in any part of Cambridgeshire; we never know where our services will be needed. We have assisted at incidents in Sawston in the past, most recently in 2018. We have given assistance during the pandemic with the distribution of food, PPE and other essential supplies to those in need, and have also helped with recent flooding incidents.
Amount requested	£236

Explain why your Organisation is applying for funding and the purpose for which it will be used	We are applying for funding towards the cost of additional card readers. We rely solely on grants, donations and fund raising activities. During the pandemic we have had to postpone most of our events and modify the activities we have held; we have been unable to do "tin collections" for example. We have two iZettle mobile card handsets but additional card readers would make a big difference to our ability to ask people for donations in the reluctance of the use of cash. Each additional reader is £59, so £236 would allow us to purchase four.
Detail the total cost of each item covered by your funding request (please use separate sheet if needed)	Please see attached
Have you applied to Sawston Parish Council for assistance before? If so give details	Yes. September 2016 £300 given July 2017 £300 given October 2018 £250 given
