Describe the overall aim of your organisation and the activities or services it provides	<p>Cambridgeshire Search and Rescue (CamSAR) is the Lowland Rescue unit, established in 2006, covering our county, often also assisting sister teams in the wider region.</p> <p>We are a specialist team, each member being trained to exacting national standards and undergoing yearly re-certification. We are called upon by the police in the search for vulnerable missing people: a child, an elderly person suffering from dementia or even someone who is considering taking their own life. In each case an emergency response is vital.</p> <p>Our First Responders, Search Technicians, Team Leaders, Search Planners, Support Team, Operations Managers and Search Managers turn out at all hours of the day and night to respond to the missing person's emergency. Available 24 hours a day, 7 days a week, 365 days a year, the team is made up 100% of dedicated fully trained volunteers and receives no central government funding, relying entirely upon grants, fund raising and individual donations to continue to provide the service.</p>

Explain why your Organisation is applying for funding and the purpose for which it will be used	We rely very heavily as stated above on donations and grants and on this occasion we are requesting funding to purchase eight throw lines. Please see supporting information for further detail.
