Describe the overall aim of your organisation and the activities or services it provides	Guiding provides young females aged 4-30 years the opportunity to achieve their fully physical, intellectual and social potential. Gain independence and confidence in a safe inclusive environment.
Explain the direct benefit to Sawston of your organisation's activities including the number of Sawston residents who have benefitted in the past	There are currently 66 young members who reside in Sawston. Girlguiding allows them to participate in a wide variety of activities that might be otherwise inaccessible to them. The skills and confidence they develop during their time with Guiding can help them throughout their lives.
Amount requested	£1,265

Explain why your Organisation is applying for funding and the purpose for which is will be used	The funding will cover the subscription fees charged by the Guiding Association, which covers the governance, certain insurance cover, training, volunteer db's checks, support and management provided to local groups. These fees are usually covered by the subs received for all age groups. However, this year due to the cost of living crisis, we have still not received enough in fees to cover the subscription fees. We are still supporting some families that are low income, that were supported through Covid.
Detail the total cost of each item covered by your funding request (please use separate sheet if needed)	The actual level of membership fees is £57.50 per member, we are requesting a contribution of 1/3 <sup>rd</sup> of this. This year we have been advised earlier of the amount of the fees.
Have you applied to Sawston Parish Council for assistance before? If so give details	We applied for a grant in 2020 assist with providing resources to the members during the Covid lockdown. We also applied for a grant at the beginning of 2023 to assist with paying of subscription fees for that year.
