

Explain why your Organisation is applying for funding and the purpose for which is will be used	EAAA does not receive any regular government funding and relies on the support and generosity of the incredible people in the region to raise the funds needed to continue to deliver and develop our lifesaving services. Each tasking costs £4,250.00 and we are called out on average eight times each day. A donation of £500.00 helps us procure the day to day medical equipment we need to ensure our crews have everything they need to attend patients as well as support them after their incident and continue to improve knowledge of what to do in a medical emergencies such as out of hospital cardiac arrests (the most common reason we are called out) within our communities. This is only possible with public support.
Detail the total cost of each item covered by your funding request (please use separate sheet if needed)	A donation of £500 helps us to purchase items such as: - Blizzard heat blankets to keep patients warm (30.50 ea) - Celox gauze to help the clotting process for severe bleeding injuries (£37.00 ea) - Retractable scalpels for use in surgical interventions (£1.68 ea) - Sterile glove for use in surgical interventions and part of crew PPE (£0.35/pair) - Sterile surgical scissors for use in surgical interventions (£3.15 ea) - Elastoplast tape to secure paediatric airway tubes (£1.15/roll) - 4 lead ECG cables for use with hear monitors (£149 ea)
Have you applied to Sawston Parish Council for assistance before? If so give details	Not to the best of my knowledge
Signed	
Date	28 January 2025
Position in Organisation	Community fundraising lead (Cams & Beds)

Completed form should be sent to:

Mrs J Keeler
Parish Clerk
